

Enterprise Completes Acquisition of Navitas Midstream

February 17, 2022

HOUSTON--(BUSINESS WIRE)--Feb. 17, 2022--

Enterprise Products Partners L.P. (NYSE: EPD) today announced that one of its affiliates has completed the previously announced \$3.25 billion acquisition of Navitas Midstream Partners, LLC. This acquisition gives Enterprise a foothold for natural gas gathering, treating and processing in the core of the Midland Basin of the Permian.

Navitas Midstream's assets, which complement Enterprise's presence in the Delaware Basin, include approximately 1,750 miles of pipelines and over 1 billion cubic feet per day of cryogenic natural gas processing capacity. The system is anchored by long-term contracts and acreage dedications with a diverse group of over forty independent and publicly owned producers.

Enterprise Products Partners L.P. is one of the largest publicly traded partnerships and a leading North American provider of midstream energy services to producers and consumers of natural gas, NGLs, crude oil, refined products and petrochemicals. Services include: natural gas gathering, treating, processing, transportation and storage; NGL transportation, fractionation, storage and marine terminals; crude oil gathering, transportation, storage and marine terminals; petrochemical and refined products production, transportation, storage, and marine terminals and related services; and a marine transportation business that operates on key U.S. inland and intracoastal waterway systems. The partnership's assets include more than 50,000 miles of pipelines; 260 million barrels of storage capacity for NGLs, crude oil, refined products and petrochemicals; and 14 billion cubic feet of natural gas storage capacity.
